17 October, 2014  
Term 4, Issue 1

We welcome our staff, students and families to Term 4. Our Year 12 students have begun the exams strongly; I know that you join me in keeping each and every girl in our prayers.

In 2015 we will be moving to homerooms in House groupings. In order to do this, we have established a new House, Lismore. Lismore was the site of the first Presentation presence in Australia. The House colour will be purple. We have asked students and staff to volunteer to join the new House. We want to build on the already significant House identity in the school and provide girls with opportunities to connect with one another across the year groups. Each House will be linked to a College value.

To support our focus on the well-being of our girls, we have appointed a Leader of Student Well-being, Mrs Diane Shean. She will take up this position in 2015. Mrs Shean will begin her work by surveying staff, students and families to find out how well Nagle supports the mental health and safety of its community members. Once this data is gathered, we will inform you of our findings. From the findings, we will be developing a plan for the College and we hope that all members of the community will have an opportunity to contribute to the plan.

Additionally, Mrs Shean will be leading the Student Leadership team, the Student Representative Council and House Leaders. The new student leadership structure should provide students with a strong voice in the school community. The opportunity to contribute to decision making through consultation is part of being an active member of a community and a life-long disposition. We look forward to the strengthening of our House system next year.

God Bless,

Mrs Delma Horan

## A Prayer for Our Year 12 students

Gracious God,

As our students begin the HSC, they may be anxious, worried.

We ask You to grant our girls the gifts of peace and calm during this time.

Help them to do their best so that they can reap the rewards of their study.

Help them also to be true friends and supports to one another.

Allow them to give you the gift of their work, so that they can use their talents now and in the future in your service.

We ask this through Christ our Lord.

Amen.

### **From the Assistant Principal**

I have written previously about the importance of our girls attending school every day of term, every term of the year. Even one day's absence has been shown to have a detrimental effect on learning.

The other important aspect of attendance is punctuality to school. Homeroom is an important part of the day. Messages about upcoming events and daily changes are disseminated through homeroom. It is an important time for the teacher to develop and strengthen relationships and for peer relations to foster and grow.

Please do everything you can to ensure that your daughter is at school before 8.45am. Continual non-compliance with this important expectation will result in a consequence being given. Again, I would expect your full support on this matter.

Mr Hall

### **Message from Business Manager**

*I would like to wish all our Year 12 students the very best of luck in their HSC exams and for the future.*

### **School Fees**

Thankyou to all our families that have finalised their school fee account for Year 2014. If you are experiencing difficulty in finalising your account, please do not hesitate to contact me on 88874501 to discuss options.

### **Before and After School Drop-off and Pick-up**

As we have returned for another term and sometimes you can be running late and in a hurry to drop off your children, please be mindful of parking procedures. Please do not obstruct parking in the CELC (Catholic Early Learning Centre) bays which are not only dangerous for our parents dropping off pre-schoolers, but are also making it very difficult for buses to safely drop off students at the appropriate gates.

These parking spots are strictly designated for CELC parents, so I would ask parents to have some consideration and not park in these bays if you do not have toddlers attending the CELC.

Please also be mindful that the large school buses need to take the turning circle wide and therefore parking directly opposite the entry or exit point makes it difficult for the buses in the mornings and afternoons.

If all parents adhere to the correct parking bays, this will ensure the safety of all students whether they are attending Nagle College, St Michaels' Primary School or the CELC.

**Toilet Vandals**

Last term students vandalised toilets by throwing whole rolls of toilet paper down the bowls. This was happening every day, so we had to lock the toilets during school times and only open them before and after school, recess and lunch. This was an inconvenience to the office staff, students, school groundsman and the cleaners. Unfortunately, the same problem has started up again this term. If it persists, we have no option but to implement the same routine until it ceases.

We are policing these areas more frequently in order to stop this and we do understand that your daughter may be inconvenienced by this course of action. We hope that this reckless action will stop.

**Senior Uniforms**

Year 10 students will be able to purchase and wear their Senior Uniform in Term 4. This is optional. Uniform shop will be open normal hours during Term 4.

Also as we are moving to a new style of sports uniform over the next two (2) years, we have our existing stock that we are selling at a reduced price.

  
**SALE**  
*(Please choose carefully, no refunds or exchange)*  
***We have limited stock that we are selling at a reduced price.***

## From the REC

October is the month of Our Lady and presents for us all an opportunity to renew our devotion to Our Mother in heaven. There are many beautiful prayers which we can devote to Mary. Each day at school your daughters say the Angelus, the pray which reminds us that Mary said yes to God regardless of the risk to her own life. During October we are asked to pray the Rosary. The word Rosary means "Crown of Roses". The Holy Rosary is considered a perfect prayer because within it lies the awesome story of our salvation. With the Rosary in fact we meditate the mysteries of joy, of sorrow and the glory of Jesus and Mary. It's a simple prayer, humble so much like Mary. It's a prayer we can all say together with Her, the Mother of God. With the Hail Mary we invite Her to pray for us. Our Lady joins Her prayer to ours. Therefore it becomes ever more useful to bring us to true peace.

So, perhaps during this month of Our Lady you could take some time to offer the Rosary to Our Mother in heaven.

## SLEEPOUT

On Friday night we held our Spring sleepout. Fifteen of the students gave up their own beds for the night to raise their awareness of homelessness. Denielle and Rebecca had organised activities and some games to help to learn more about the problems faced by many people in our and the wider community. We raised \$300 which has been donated to St Vincent de Paul to assist them with the work they do for homelessness.

Mrs Ellen Longergan

## Year 12 Graduation

Our Nagle College community farewelled Year 12 2014 on Wednesday the 17<sup>th</sup> of September with many events. We started the celebrations on Wednesday morning as we had a school assembly followed by our traditional lockout. It was an exciting yet moving celebration for all students and staff. Year

12 girls proceeded into the hall with their Year 7 little sisters. The bond between these girls was evident as they got to know each other during the year.

In the evening, students, staff, parents and friends attended our College mass for our graduating girls at St Michaels Church. A wonderful liturgy took place for this special occasion. The girls received a lantern during the mass to symbolise that their light will always shine. After the mass, everybody enjoyed supper in front of the hall. It was a great opportunity for all to spend some time together and reflect on the year gone past. It was wonderful to also see ex-students who attended in honour of their graduating siblings and friends.

After supper, the graduation ceremony commenced in the hall. Our College community was honoured by the presence of the staff, families, and friends of the graduating students as well as many special guests who shared this special occasion with us. During the ceremony, each Year 12 student received a portfolio which outlined her achievement in her courses. This was a testimony of their academic achievement as well as their participation in extra-curricular activities to serve their community. As the evening drew to a close, special awards were given to some students. As well as these special awards, academic excellence awards were given to some girls before the College Dux was announced.

The graduation concluded with the announcement of these awards. It was indeed a very special evening for our College community.

Year 12 students are now completing their HSC exams and we pray that they achieve their best during these exams. A final celebration for Year 12 2014 will be their formal in November.

We sincerely thank all parents of the Nagle College community for their support of our Year 12 students.

Mrs Christine Smith  
Year 12 Co-ordinator

## Agriculture at Nagle

Farm Quote:

**The trouble with not having a goal is that you can spend your life running up and down the field and never score.**

Bill Copeland

Last week we said good bye to Carter who has moved to greener pasture, just in time for our ewes to move to the farm area. We waited and even had a draw for who would be the first ewe to lamb: how many, the day and the time. Congratulations to Georgia and Katherine who both won the chocolate prize for being the closest. Two sets of twins born hours apart, all are well and are getting the best of attention from the agriculture students. We look forward to the 3 more ewes to lamb, naming them all will be a challenge. All the sheep will be shorn on Thursday after lunch and we hope that the kindy kids can come and join us.

Mr Mykel Koller  
Agriculture Teacher

## YEAR 9 NEWS

Year 9 Peer support leaders started their training this week.

**The aim of the training was to prepare them to be an effective leader by:**

- acknowledging personal strengths and characteristics
- developing leadership skills
- enhancing relationships with others
- learning about the roles and responsibilities of a Peer Leader
- becoming familiar with the process for facilitation
- gaining an understanding of how we interact with others
- applying skills in a range of areas

**The students worked through a number of activities that they can use as peer leaders in their role as a Peer support leader in preparation for Year 7 Orientation day and in 2015.**

Year 9 as part of the Learning to Learn Program have also been looking at decision making and problem solving.

Bianca Vieiro

Year 9 Co-ordinator

## **YEAR 7 NEWS**

This term, Year 7 has been continuing to focus on the importance of building resilience in Learn to Learn. They have revisited the website of Enhanced Learning and looked at the importance of ensuring their study environment is one which is conducive to learning. This unit not only speaks about the school environment but also the home environment. All students have access to this website and are encouraged to revisit it at home in order to assist them with their study.

Year 7 has also taken part in the MindMatters Mental Health Survey. This survey has been designed by the MindMatters Team to assist schools to develop programs that will best meet the needs of its students. Students have been emailed directly via their school email and are asked to complete this survey by the end of next week.

A Year 7 Edmodo page has been created. This very useful piece of technology allows for students of Year 7 and their LGL teachers to communicate via the web in a safe and secure manner as a year group. There are many teachers who have also created subject specific pages for their classes to use. It has been wonderful to see students assisting each other with homework and assessments using this tool.

If you have any questions or concerns regarding your daughter please do not hesitate to contact me.

Mrs Diane Shean

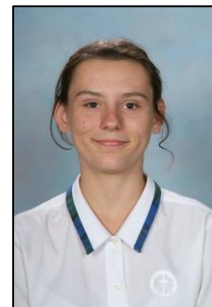

Year 7 Co-Ordinator

## **YEAR 8 NEWS**

Year 8 has made another great start to the term. At the moment there are a number of assessment tasks that are either due or are due in the near future. I would ask parents to have a conversation with their daughter to see how she is going with the completion of these tasks. If there are any issues, please have a conversation with the teachers involved so that all issues can be resolved quickly. It is important that students are in good habits and are able to take responsibility for their learning.

Congratulations to Skye Vanajek who has been representing the Parramatta Diocese for hockey. She will be competing over a number of weekends during the term. We wish Skye the best of luck in her competitions!

Mr Houseman  
Year 8 Co-ordinator

## **GOLD DUKE OF EDINBURGH EXPLORATION**

Thursday 18<sup>th</sup> to Sunday 21<sup>st</sup> September 2014

On Thursday 18<sup>th</sup> of September six senior students arrived at Toowoon Bay Holiday Park for their Gold Duke of Edinburgh exploration accompanied by Mrs Anderson and Mrs Foley. We were camping and performing ecology studies. On the first day we set up our campsite before heading to the beach to perform abiotic tests along transect from the edge of the water to the plants in the sand dunes. At our various sites we tested humidity, soil and air temp, pH, slope, amount of sunlight, turbidity, and the concentration of ions including chlorides, sulfates and carbonates.

On the Friday we went out to a small island in Lake Munmorah, Budgewoi. There we performed our abiotic tests along 3 transects and completed 15 vegetation transects. The vegetation transects were completed so we could map the island and the location of the different plants on it. We also looked at the human impacts around the lake – especially the impact of all the boats that pass by the western side of the island. The western side of the island had a distinct odor from all the oil and fuel left on the surface. After a picnic lunch we completed soil testing along the edge of the lake – heading away from the island.

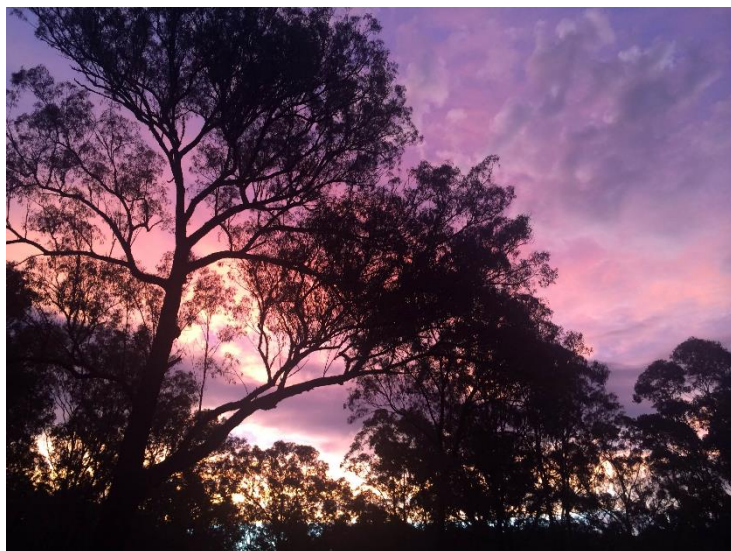

Saturday was spent completing transects of the beach from Toowoon Bay to The Entrance. This was so we could compare conditions on different beaches. We had lunch at The Entrance before heading to North Entrance to complete more beach transects and another bush transect.

On Sunday we packed up camp, ensured our books were complete and headed home.

A big thank you to Mrs Anderson and Mrs Foley who have given up their own time to come with us on the exploration, and to our Duke of Ed Co-ordinator Mrs Vieiro for her continued support of us as we complete the leadership program.

Mrs Lynette Anderson

Duke of Ed Facilitator

## **Expect the Unexpected! Bronze and Silver Duke of Edinburgh Expedition**

From Sunday 12<sup>th</sup> until Tuesday 14<sup>th</sup> of October Bronze and Silver Duke of Edinburgh students embarked on an expedition into the Blue Mountains wilderness. It was an expedition that tested the most experienced hikers. The unpredictable weather delivered us with 32 degree heat, rain, two electrical storms and hail. The students applied their extensive skills in navigation, first aid and camp craft. All students had the chance to lead the group throughout our journey and as a consequence, were able to experience the immense responsibilities of directing and caring for a group. Students' ability to work as a team, capitalise on each other's strengths and build up their areas of weakness enabled all participants to experience all that the expedition had to offer. On behalf of the supervising teachers Miss Moran and Mrs Newell, we would like to thank the determined, adventurous and spirited young women who participated in the expedition. In addition, from the students and teachers on the expedition we would like to thank the co-ordinating teachers' Mrs Vieiro, Mrs Anderson and Mr Imlay for all of their preparation and invaluable support on the expedition.

Mrs Newell and Miss Moran

### **Catholic Grandparents Retreat Day**

Next Saturday **18 October** the Life, Marriage and Family Centre is hosting a **Catholic Grandparents Retreat Day**. Grandparents often play an important role in the faith of their grandchildren, and we aim to support them in their mission through this event.

It is our hope that students in the catholic schools from all around Sydney will invite their grandparents to attend this retreat day with them. It will be led by Bishop Terry Brady and includes reflection and networking opportunities for grandparents, along with catechesis and games for the grandchildren.

It is an initiative in conjunction with the growing Australian Chapter of the Catholic Grandparents Association: <http://www.lifemarriagefamily.org.au/index.php/family/catholic-grandparents-association>
